

Sigma Gamma Epsilon W. A. Tarr Award

1. Any student in the Earth Sciences and an **active member** of the Society of Sigma Gamma Epsilon at a school in which an active chapter of the Society is located is eligible to receive the Award. An active chapter is one which submits annually the New Initiates form, Returning Members form, and Chapter Officers form along with appropriate fees and dues by November 15th.
2. The recipient of the Award must be majoring as an undergraduate or be a graduate student in some phase of the Earth Sciences, (e.g., Geology, Metallurgy, Mining, Petroleum or Geological Engineering, Ceramics, Geophysics, Hydrology, Oceanography, Environmental Sciences).
3. Scholarship is the essential basis of the Award, but personality, leadership, contribution to the school, and ability to get along with people are worthy of consideration.
4. The Award preferably should be granted to a graduating senior or graduate student. (It is not contemplated that the Award will be made more than once to the same person).
5. Completion of one or more courses such as field work subsequent to the date of normal graduation may not cause an individual to be ineligible.
6. The selection of the student to receive the Award shall be made by a committee consisting of members of the *Active Chapter* and *three faculty members*--two of whom shall be members of the Society. The Faculty Advisor, in conjunction with the chapter, shall set up the method of selecting the Award Committee.
7. The Award will consist of a suitably printed certificate, signed by the National President of the Society and by the Faculty Advisor of the respective chapter. The certificate shall bear the inscription:

The W. A. Tarr Award Presented to

Date of Presentation _____

Name of Chapter _____

School _____

8. The information requested above can be submitted in one of the following methods:

Mail

Dr. James C. Walters, National Secretary-Treasurer
Sigma Gamma Epsilon
